

**To: All members via Branch Leaders/contacts, Deanery Chairs and other Diocesan contacts:**

Dear friends,

What a wonderful day it was on Saturday to gather together to praise the Lord for all His greatness.

To also listen to Bishop John's address as he spoke about the key ways in which Mothers' Union members, putting their faith into action, transform lives.

Thank you for being there for what was a truly momentous occasion.

For those of you who were not able to join us on Saturday and for good reason, I would like to encourage you to listen via YouTube to Bishop John's address. Branches may also wish to use the address to form part of a Bible study or simply share the good news story. Bishop John's words were so inspiring and several members who were there said how uplifted they felt, so I don't want any member to miss out.

There may be a friend within our own church communities who would like to know more about what we do, so what an opportunity we have. Let's invite them around for a cup of tea to watch part or all of the service to promote all things Mothers' Union.

Continuing on the theme of opportunity and transformation, Jane Hill our Overseas Representative has asked me to share news about an exciting opportunity that has arisen for one or possibly two Mothers' Union members in our Diocese.

Once you have had time to prayerfully consider the attached, please contact Jane direct if you would like to know more about the Diocesan trip to Kapsabet in May.

With love,

Karen Morris  
Diocesan President
